

Texas Division of Emergency Management State Situation Report

New Information in Blue Text

Event Name	22-0009 Wildfire Outbreak 17MAR
Date	March 19, 2022
Time	9:00 AM
Operational Period	7:00 AM March 18 to 8:00 AM March 19 2022
Report Number	2

Regions Affected	
TDEM Regions Affected	1, 3, 4, 5, 6
DDCs Active	7 & 20

STATEWIDE CURRENT SITUATION: On March 16, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to activate additional state resources as escalated fire weather conditions continue to impact the state this week. In addition, the Texas State Emergency Operations Center (SOC) is increasing readiness to Level II: Escalated Response for Critical Fire Weather Conditions. Representatives from key state agencies belonging to the Emergency Management Council reported to the SOC on Thursday, March 17 at 7:00 AM CT to assist in the state's response to fire weather conditions.

Personnel from the following state agencies are supporting wildfire response operations at the SOC:

- Texas A&M Forest Service (TAMFS)
- Texas Commission on Environmental Quality (TCEQ)
- Texas Department of Public Safety (DPS)
- Texas Department of State Health Services (DSHS)
- Texas Department of Transportation (TxDOT)
- Texas Military Department (TMD)
- Texas Parks and Wildlife Department (TPWD)
- Public Utility Commission of Texas (PUC)
- Railroad Commission of Texas (RRC)
- Texas Animal Health Commission
- Texas A&M AgriLife

- [Texas A&M Engineering Extension Service – ESF 9 \(Search & Rescue\)](#)
- [Texas A&M Engineering Extension Service – Public Works Coordinator](#)

The following additional resources have been activated:

- TAMFS: Four firefighting strike teams from the Texas Intrastate Fire Mutual Aid System (TIFMAS), including 100 firefighters and 20 fire engines
- TMD: Six helicopters with firefighting capability
- TPWD: Two firefighting brush trucks
- EMTF: Two paramedic/advanced life-support Wildland Fire Support Packages
- [Texas Task Force 2 Urban Search & Rescue and K-9 Search & Rescue Teams](#)
- [Public Works Response Team](#)

This brings the activated TIFMAS resources to 10 strike teams including approximately 250 firefighters and 50 fire engines.

Texans in the areas of concern are encouraged to create an evacuation plan, heed the guidance of local officials, and create an emergency kit that includes supplies such as food and water, important documents, necessary prescriptions, and other personal items.

The newly-activated assets are mobilizing in addition to state resources that were rostered earlier in the week by the Texas A&M Forest Service, including:

- Six TIFMAS strike teams comprised of approximately 150 firefighters and 30 fire engines
- Fully-staffed task forces located across the state with additional personnel and equipment for support
- Strategically-placed fire line supervisors, command staff, and incident commanders with advanced qualifications
- Aviation resources including: two large airtankers, 12 single engine air tankers, four air attack platforms, three type 1 helicopters, two type 3 helicopters, and one aerial supervision module

Two EMTF Wildland Fire Support Packages were activated; Two EMTF Wildland Fire Support Packages and two Rapid Extraction Modules (REMs) remain on standby to be deployed if necessary.

Texans can visit tfsweb.tamu.edu and ready.gov/wildfires to access wildfire resources and safety tips.

On March 15, Governor Abbott directed TDEM to mobilize state resources as Texas faces increased fire weather conditions this week. The National Weather Service warns high winds and low relative humidity has created heightened risk for wildfires in the western half of the state.

The following resources have been readied by TAMFS: six strike teams from TIFMAS that include approximately 150 firefighters and 30 fire engines. The TAMFS has fully staffed task forces across the state with additional personnel and equipment for support. Fireline supervisors, command staff, and incident commanders with advanced qualifications are strategically placed across the state to respond. Aviation resources are also prepositioned across the state for a quick and effective response and include two large airtankers, 12 single engine air tankers, four air attack platforms, three type 1 helicopters, two type 3 helicopters and one aerial supervision module are currently staged in state for wildfire response.

Four EMTF Wildland Fire Support (WLFS) packages and two Rapid Extraction Modules (REMs) are on standby to be deployed if necessary.

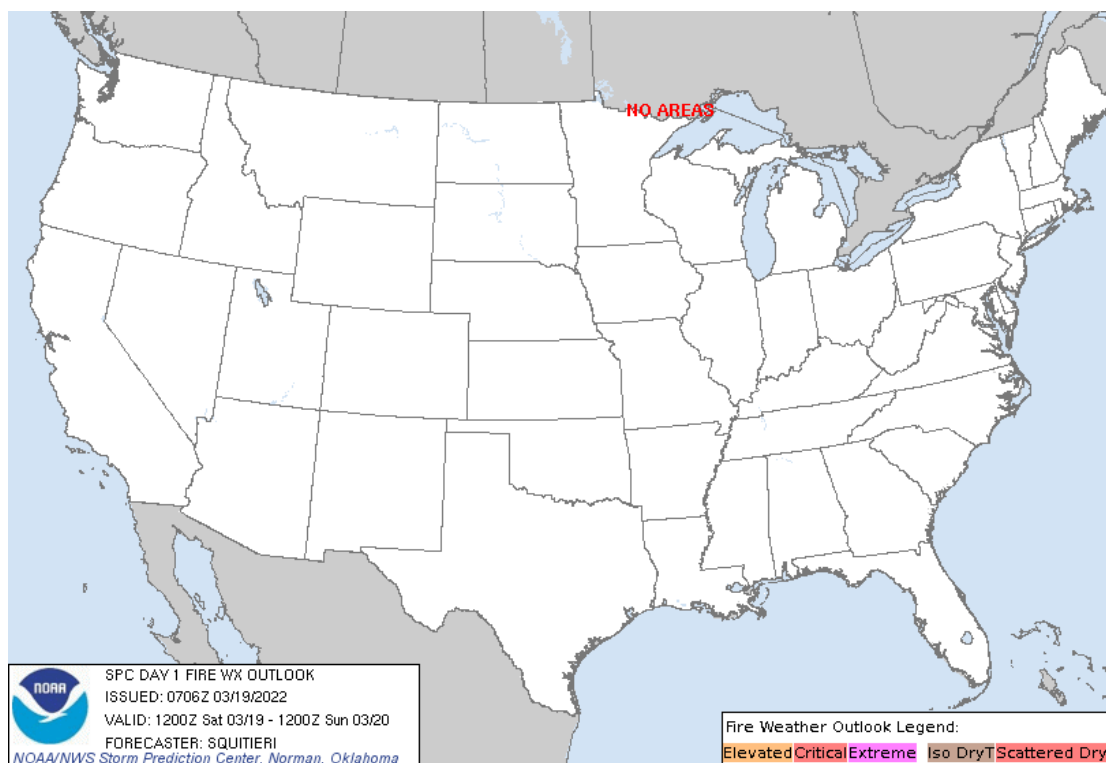

Four UH-60 and 2 CH-47 helicopters.

On March 18, Governor Abbott issued a Disaster Declaration due to an imminent threat of widespread or severe damage, injury, or loss of life or property in Brooks, Brown, Coleman, Comanche, Eastland, Grayson, Mason, Potter, Randall, Runnels, and Williamson Counties.

Access damage surveys, find an evacuation shelter, and view wildfire resources

WEATHER:

NWS Fire Weather Outlook Valid: 6AM 3/19 to 6AM 3/20

Day 1 Fire Weather Outlook: A mid-level ridge will traverse the Plains states, where surface high pressure will dominate today. Dry but weak surface westerly flow is expected across the Plains, with 15-20 percent RH likely by afternoon peak heating. Despite recent precipitation accumulations across parts of Kansas and Oklahoma, fuels remain modestly to highly receptive to wildfire-spread. As such, fire weather highlights have been withheld this outlook due to weak forecast surface wind speeds on a widespread basis. However, locally Elevated conditions are likely across the Plains, particularly over the Texas Panhandle, where 10-15 mph sustained westerly surface winds are possible.

Texas A&M Forest Service (TAMFS) – Predictive Services:

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.

4. Accurately track incident costs associated with assigned resources for cost recovery.

Region 1 (Includes DDCs 4, 5, 6, and 22)

DDC 5: - Mt. Pleasant (Includes: Bowie, Cass, Delta, Franklin, Hopkins, Lamar, Morris, Red River, and Titus Counties)

Morris County: [Morris 1628](#): 1 acre – 100% contained.

DDC 6 – Tyler (Includes: Anderson, Camp, Cherokee, Gregg, Harrison, Henderson, Marion, Panola, Rains, Rusk, Smith, Upshur, Van Zandt and Wood Counties)

Van Zandt County: [Van Zandt 1522](#): 17 acres – 100% contained.

Region 3 (Includes DDCs 19, 20, 21, and 24)

DDC 19 – Laredo (Includes: Jim Hogg, Starr, Webb and Zapata Counties)

Starr County: [La Paloma](#): 1,036 acres – 100% contained

DDC 20 – Corpus Christi (Includes: Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, Nueces, Refugio and San Patricio Counties)

DDC 20 increased their readiness level to Level 3 (Increased Readiness Level).

Duval County: [Realitos](#): 100 acres – 100% contained.

Jim Wells County: [Sands](#): 3 acres – 100% contained.

DDC 24 – Del Rio (Includes: Dimmit, Edwards, La Salle, Kinney, Maverick, Real, Uvalde, Val Verde, and Zavala Counties)

Maverick County: [Burr](#): 4,825 acres – 100% contained.

Val Verde County: [Brewer Ranch](#): Unknown acres – 100% contained.

Region 4 (Includes DDCs 8, 9, and 10)

DDC 9A – Midland (Includes: Andrews, Borden, Dawson, Ector, Gaines, Glasscock, Howard, Martin, Midland, and Winkler Counties)

Glasscock County: [Edmunson](#): 3,861 acres – 100% contained.

DDC 10 – San Angelo (Includes: Coke, Concho, Crockett, Irion, Kimble, Mason, McCulloch, Menard, Reagan, Schleicher, Sterling, Sutton and Tom Green Counties)

Mason County: Mason County submitted a Disaster Declaration on Thursday, March 17.

Reagan County: Chico Lane: 7,435 acres – 100% contained.

Region 5 (Includes DDCs 1, 2, 3, and 7)

DDC 1 – Amarillo (Includes: Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler Counties)

Randall County: Hollywood: 166 acres – 100% contained. Randall County submitted a Disaster Declaration on Thursday, March 17.

DDC 3 – Wichita Falls (Includes: Archer, Baylor, Clay, Cottle, Foard, Hardeman, Jack, Wichita, Wilbarger and Young Counties)

Archer County: Wells: 98 acres – 100% contained.

Archer 1716: 98 acres – 100% contained.

Pia: 16 acres – 100% contained.

Jack County: Owens: 166 acres – 100% contained.

DDC 7 – Abilene (Includes: Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Throckmorton, and Taylor Counties)

DDC 7 increased their readiness level to Level 3 (Increased Readiness Level).

Comanche County: De Leon Nursing and Rehabilitation was evacuated.

Eastland County: American Red Cross (ARC) volunteers fed 50 firefighters on site on March 17. Five independent shelters opened in Eastland County and are still open. Fires in the City of Carbon caused loss of power. The City of Carbon PS #2 facility was damaged. Rising Star Nursing Center was evacuated. The Gorman Nursing Home was evacuated to a facility in Brownwood. A *Fire Management Assistance Grant (FMAG)* was approved for the Wheat Field Fire and Kidd Fire by FEMA. A Temporary Flight Restriction (TFR) is in effect until March 31st at 0300 UTC

over Eastland County. The TFS can be found here:
https://tfr.faa.gov/save_pages/detail_2_6486.html

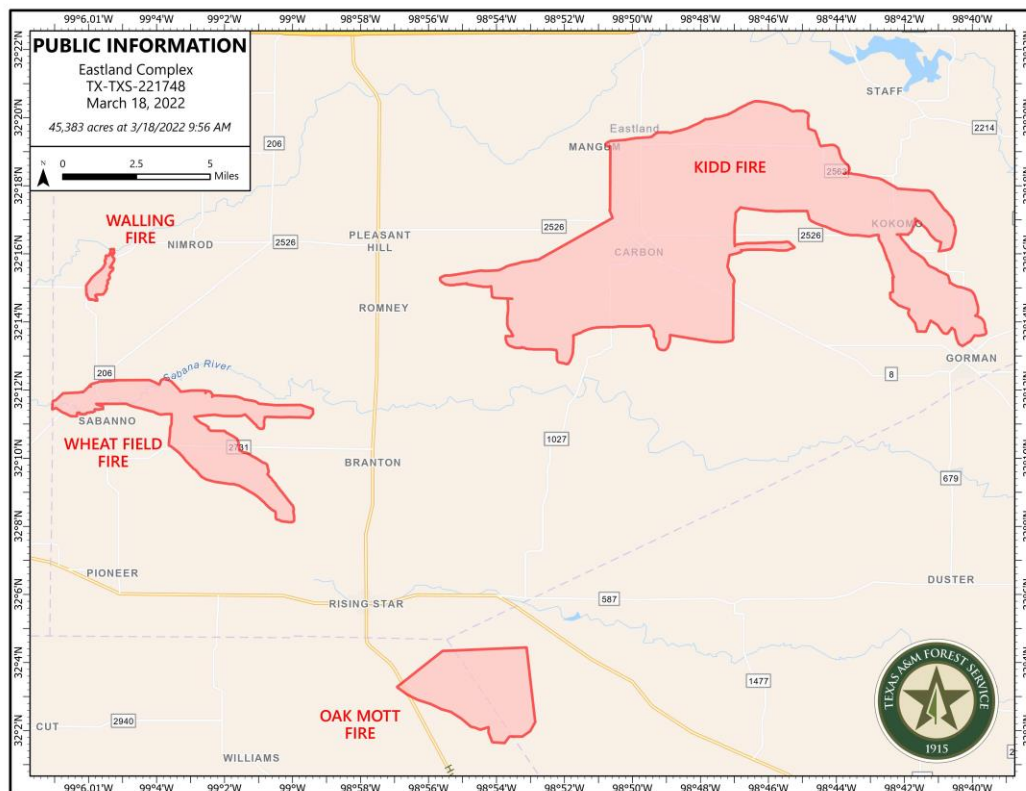

Eastland Complex (Kidd, Wheat Field, Oak Mott & Walling Fires) – 45,383 acres – 15% contained.

Walling – 383 acres – 100% contained. Crews reported no concerns. Control date set for Monday, March 21st at 5:00 PM.

Oak Mott – 6,000 acres - 50% contained. The dozer lines were tied in Friday afternoon. All TAMFS resources are off the fire to RON and will return Saturday morning. TIFMAS and local engines will monitor and patrol through the night. Operations normal with no unmet needs.

Wheat Field – 5,000 acres - 20% contained. Dozers continue to construct lines and make progress in thick fuels. Some areas of the fire did become active and helicopters with ground resources to limit spread potential. Operations normal with no unmet needs.

Kidd – 34,000 acres – 15% contained. Dozers continue to construct lines. Engines continue to patrol and hit hot spots and are mopping up around structures. One area of the fire has become extremely active today. Air resources were used to slow progression and the Task Force was moved to this area to help contain the fire. Operations normal with no unmet needs.

The Eastland Community Foundation in partnership with the Abilene Community Foundation has opened a disaster fund. <https://cfabilene.org/community-impact/fire-relief-funds>

Runnels County: Crews Gap: 7,500 acres – 80% contained. TAMFS reports dozers are constructing line on both flanks of this fire. Forward progression has not been stopped, but fire behavior has moderated from earlier today. Operations normal with no unmet needs. Runnels County submitted a Disaster Summary Outline (DSO) on Friday, March 18.

Region 6 (Includes DDCs 11, 12, 17, 18A, 18B, and 23)

DDC 23 – Killeen (Includes: Bell, Coryell, Hamilton, Lampasas, Milam, Mills and San Saba Counties)

Mills County: 3 Oaks: 3,512 acres – 100% contained.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

TDEM – Regional staff have been deployed to impacted areas to assist local officials in damage assessment and identification of needs. The SOC continues to facilitate information sharing and the coordination of response and recovery operations.

TDEM Communications Coordination Group (CCG): ESF 2 is assessing possible requirements to support Eastland County and other areas heavily impacted by the wildfires. Communications platforms are being identified for possible support if required. The Texas Department of Public Safety (DPS), Lubbock County, Bedford Fire Department and Denton County have identified platforms and other communications assets that could provide support if requested. Cellular providers have identified resources, and assets are staged in and out of state if required. There are currently no reports of cellular outages in the impacted areas. Amateur radio services are monitoring the situation and contacting served entities as applicable. RACES / AUXCOMM trained personnel are in contact with the TDEM District 7 personnel to help coordinate any communications requirements. The Commission on State Emergency Communications (CSEC) has not received any reports of impacts to the PSAP – 9-1-1 networks.

TDEM Disaster Recovery Task Force (DRTF): DRTF Staff continue to support mass care at the R-SOC and coordinate with members in the field.

Mass Care: Red Cross teams are supporting some donation management. ARC's case management will process those in shelters transition to other housing. Those

evacuees that are staying with friends/family will need damage assessed prior to receiving case management. Safe & Well Program has not activated. ARC is ready to support any reunification efforts as they arise. ARC is staffing east Texas in preparations for the severe weather anticipated Monday. Southern Baptist Southern Convention is headed to Eastland to support a local church with feeding evacuees. Salvation Army is staged in Big Lake, San Angelo and Brownwood.

State Voluntary Agency Liaison (VAL): Coordinating with local non-profit organizations, disaster nonprofits and VOAD member organizations. A fund has been established to accept monetary donations through the Abilene Community Foundation and Eastland Community Foundation. Disaster nonprofits and VOAD member organizations remain on standby to assist in cleanup efforts through long term recovery.

Shelters:

Facility Name	Location	Status	Occupancy
First Baptist Church	405 S Seaman Street, Eastland	Open	15
Gorman Community Center	118 S Kent St, Gorman	Open	0
First Fruit Christian Fellowship	325 W. Lexington	Open	0
Gorman Church of Christ	419 N Kent, Gorman	Open	
Eastland FEMA Shelter/Siebert Elementary	100 Little Maverick Trail, Eastland	Open	
Myrtle Wilks Community Center	1498 IH-20W, Cisco	Open	0
Texas Cattle Exchange	9009 IH-20, Eastland	Open	Cattle Only
Lazy 3 Animal Care	9991 Hwy 6, Cisco	Open	Cattle and House Pets Only
Coleman Livestock Auction		Available by calling first	Cattle Only
Erath County Lingleville, TX			
Comanche Community Center	100 Indian Creek Dr. Comanche, TX		

Texas A&M Agrilife Extension Service (Agrilife): The Texas A&M AgriLife Extension Service is maintaining situational awareness of the evolving wildfire incidents across the state. AgriLife Extension is activated to the SOC, monitoring

animal issues calls, and is coordinating with TAHC and animal response partners at the local, state, and federal level to support local jurisdictions. AgriLife has coordinated with ESF-11 partners TAHC, TAMU-VET and TDA regarding hay/feed or other livestock-related support following the wildfire outbreak. AgriLife Extension County Agent Strike Team members remain on standby for response to animal issues. All ESF-11 partners are working to maintain contact and situational awareness of any concerns related to these issues and have stood up a staging area at the Texas Cattle Exchange in Eastland County for local response efforts. AgriLife agents and administration have also provided assistance to the TAMFS ICP in Merkel providing assistance in contacting landowners regarding evacuation.

Texas A&M Engineering Service (TEEX) Texas Task Force (TX-TF) 1 & 2:

TEEX deployed Texas A&M Task Force 1 and Texas Task Force 2 personnel at the request from TDEM for assistance with the search within the Eastland Complex Fire. Initially, three HR canine teams and four support personnel were deployed for this request. An additional request for a Type 3 US&R team was requested at noon on March 18. Eastland County had a very extensive wildland fire during the evening hours of March 17. Due to the potential number of the area residents affected by the fast-moving fire, TDEM requested a Type 3 US&R team and HR canine teams to assist in wide area search of the affected area.

Texas A&M Engineering Extension Service (TEEX)/Texas A&M Public Works Response Team (TX-PWRT): TEEX/TX-PWRT continues to support and coordinate operations from the Remote SOC serving as ESF-3. Advance team enroute to Carbon, TX to assist with water/wastewater and utilities. Team of three PWRT personnel.

Texas A&M Forest Service (TAMFS) TAMFS received seven new requests for wildfires on Friday, and resources are still engaged on mop up and holding operations on five carryover fires.

Public Utility Commission of Texas (PUC): The PUC was activated to the Remote SOC effective 7:00 AM, Thursday, March 17. The PUC has reached out to industry members and is standing-by to assist throughout the duration of the event.

PUC has continued to monitor electric outages and reports no significant generation or transmission issues. Local outages number 1,200 as of 2:30 PM in Eastland County as a result of the Eastland Complex Fire and evacuation orders. Restoration crews continue to effect repairs where and when able to safely do so. PUC will continue to monitor statewide power and standby at the SOC as requested.

Railroad Commission of Texas (RRC): RRC is monitoring temporary natural gas service interruptions affecting approximately 100 customers in the City of Carbon and 330 customers in the City of Gorman. The RRC will continue to work with the service provider and state and local partners until service is restored. RRC will continue to support ESF 12 and work with PUC throughout the event.

Texas Animal Health Commission (TAHC): TAHC is maintaining situational awareness of the evolving wildfire incident. TAHC is activated to the R-SOC, monitoring animal issues calls and coordinating with TAHC Regional Offices and animal response partners at the local, state and federal level for support of local jurisdictions. Coordination communications have occurred with ESF-11 partners regarding potential hay/feed or other livestock-related support following the wildfire outbreak. Multiple local officials and partners have notified TAHC of missing and/or deceased livestock due to the wildfire and the need to release livestock for escape. TAHC staff remain on standby for response to any animal issues when it is safe to do so. All ESF-11 partners are working to maintain contact and situational awareness of any concerns related to these issues and are standing up a staging area for local response efforts. TAHC Public Information Officer is providing specified animal response and recovery information to the public. TAHC field staff remain pre-staged for deployment as needed in support of Animal Needs Assessments and any local jurisdictional requests. TAHC received multiple reports of locals cutting fences to allow livestock to escape the fire. Local sale barns are offering shelter services. TAHC inspectors/supervisors coordinating sheltering operations with local partners and officials, with staff enroute with portable corrals. Approximately 30 cats and/or dogs being sheltered at Lazy 3 Vet Clinic in Eastland County. Approximately 10 head of cattle are being sheltered at Olden Sale Barn. TAHC and ESF-11 have established an Animal Issues Command Post in Eastland County. TAHC and local partners/officials have begun to coordinate and prepare for possible animal carcass disposal/burial operations.

Texas Commission on Environmental Quality (TCEQ): TCEQ has staff available to assist local governments with any air/water/waste related issues including drinking water/wastewater issues and/or emergency response activities. Two water systems in the impacted area have issued boil water notices. These systems serve 710 people.

Texas Department of State Health Services (DSHS) – Emergency Medical Task Force (EMTF): EMTF activated 2 Wildland Fire Support (WLFS) packages for EMTFs 2, 7 & 9 supporting the Eastland Complex Fires and the Chico Lane Fire. EMTF activated one additional MIST, two WPU's and one Rapid Extraction Modules

(REM) to assist in Abilene with the Eastland Complex Fire. EMTF placed 2 WLFS packages and 3 REM packages on standby for EMTFs 2, 4, 8 & 11 and is supporting response with 52 personnel. One WLFS has been activated to Pleasanton staging support by EMTF 8 and 11. One ambulance to support 24/7 operations at the Eastland Complex Fire from EMTF 2.

Texas Military Department (TMD): TMD has activated 2 Wildland Fire Brush Trucks, 2 Medium Rotary Wing MRP and 1 Heavy Rotary Wing MRP to provide direct support to TFS with fire suppression capability in response to critical fire weather. TMD has activated 40 personnel with 2 vehicles and 5 aircraft in support of 22-0009 Wildfire Outbreak 17MAR. CH 47 was launched at 9:40 AM on March 18 to support the Kidd Fire. The CH 47 flew a total of nine hours and dropped a total of 29 buckets (52,200 gallons) of water on March 18.

Texas Department of Transportation (TxDOT): TxDOT has filled a STAR to provide equipment and crews to build fire breaks on the Kidd Fire in Eastland County: two dozers, two motor graders, and support equipment with staff. Additionally, TxDOT partially filled a STAR for two portable light towers for the Carbon Volunteer Fire Department (VFD). All 25 TxDOT Districts have been provided the NWS & TDEM Fire Weather Outlooks. TxDOT Districts in impacted areas are posting fire information on Digital Message Signs for public awareness. TxDOT is staffing the Remote SOC.

Texas Department of Public Safety (TXDPS): The TXDPS has ensured the readiness of statewide resources to appropriately respond to this fire outbreak and weather event. Texas Highway Patrol (THP) troopers and other DPS personnel are fully prepared to respond as conditions dictate. Affected THP Disaster District Chairs are communicating with applicable state and local officials as needed. DPS Troopers and other agency personnel are providing support to applicable affected areas as requested.

Voluntary Organizations Active in Disasters (VOADs):

American Red Cross:

Coleman County: On Thursday, two Temporary Evacuation Points (TEP) were opened in coordination with OEM due to the evacuation of approximately 300 homes. The two TEPs were located at First Baptist Church of Coleman, 200 E. College Ave, Coleman, TX and Coleman County Senior Center, 916 S. Concho, Coleman, TX 76834 and closed at 8:30 PM Thursday night. Four homes were lost in this fire and our local casework team opened cases providing recovery planning and assistance.

Taylor County: The TEP in Abilene closed at 8:30 PM Thursday night and residents were able to return home. Two homes were lost, and our local casework teams provided recovery planning and assistance that evening.

Eastland County: Our volunteers continue to support the Incident Command Post where are in coordination with emergency management about the fire. We fed dinner to 50 firefighters on site Thursday evening. Five independent shelters opened in Eastland County overnight and remain open now. On Friday morning our team had been asked to provide support and are visiting each site to identify unmet needs.

FOREST SERVICE

Available SAR Resources 03.18.2022 1500hrs

This map depicts the available SAR resources and their home base.

FINAL COMMENTS: The State Operations Center (SOC) remains at Level II (Escalated Response Conditions) for COVID-19 pandemic response with additional staffing for Wildfire Outbreak response. The Texas Division of Emergency Management (TDEM) continues to monitor these situations and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
<https://tdem-web.webflow.io/response/state-operations-center#tab-2>
